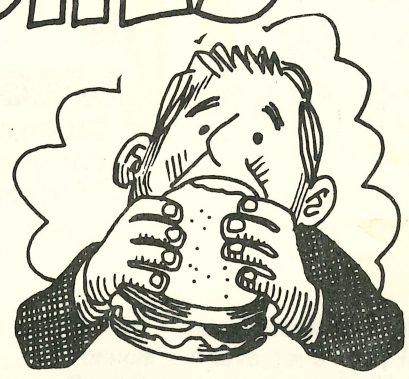
I'M HUNGRY

A SALOON & RESTAURANT

SANDWICHES

SERVED 11 A.M. to 11 P.M.

JUDY GARLAND (Tenderloin)
A "star" was born when we added this favorite to our menu - gets applause everytime, especially when accompanied by cheese. 2.45



SOPHIA LOREN (Italian Beef)
An Italian favorite sure to steal the scene. Layers of juicy beef with just the right amount of seasoning... with peppers it's a hot number. 2.45

DAVID STEINBERG (Reuben)
The cast in this sandwich is outstanding. A love affair between lean corned beef, sliced Swiss cheese and sauerkraut all brought together in happiness between slices of black bread. 3.45

BOB HOPE (Ham)
There will be no jokes about hamming it up or anything like that with this ham sandwich which is served with lettuce & tomato. While reading this don't look up at the doorway where our camera is taking pictures. You looked. ham. 2.45

MICKEY ROONEY/RAQUEL WELCH (Salami and Cream Cheese) The all new colossal combination brought together for the first time for a long term engagement. Cream cheese and chives spread adventurously across black bread and begging to be covered by slices of pure beef salami. 2.45

LLOYD BRIDGES (Fish Sandwich)
A "Sea Hunt" for a delectable piece of fish for this entry was rewarded when we found our prize-winning cod. It will plunge you to the depths of taste treat, especially when served with Swiss or American 2.45

DORIS DAY (Grilled Cheese)
When she says "cheese" you know you have a winning smile. Your choice of American or Swiss It will put a smile in your tummy. 1.45

LAUREL & HARDY (Peanut Butter & Jelly)
A winning combination of two of your favorites - We knew you would get a laugh out of seeing this on the menu - besides it even tastes good. 3.65

DON RICKLES
We had to take this one off our menu because it offended too many people.

BREAST OF TURKEY
Two Mounds Piled High and Firm on a Bed of Lettuce 2.45
